

**The Stanford Neurodiversity Project**  
*Empowering Neurodiverse Students*

# Neurodiverse Student Support Program

**The Stanford Neurodiversity Project offers peer mentorship.**

Stanford is a large institution, and at times it can be difficult to understand how to navigate student life.

**Benefits of Mentorship:**

- Enhance social pragmatics
- Develop and grow school and career knowledge
- Opportunities for support and to meet other neurodiverse students
- Learn important skills and hidden curriculum

For more information about being a mentee, contact a member of our program at [stanfordneurodiversityproject@stanford.edu](mailto:stanfordneurodiversityproject@stanford.edu)
